

Fidia Pharma USA partners with AEONSurgical to expand its US sales presence

PARSIPPANY, N.J., & SAN ANTONIO, TX; September 15, 2014, -- Fidia Pharma USA Inc., a wholly-owned subsidiary of Fidia Farmaceutici SpA, an international specialty pharmaceutical company and recognized leader in hyaluronic acid-based products, announced today the completion of a sales and marketing agreement with AEONSurgical, a leading group of independent sales representatives to physician and hospital customers across the US.

Effective September 15, 2014, AEONSurgical's team will sell Hyalgan® alongside Fidia's direct sales force. Oscar N. Obledo, CEO & Founder of AEONSurgical, said, "Our partnership with Fidia Pharma USA demonstrates our continued commitment to working with Joint Healthcare manufacturers who develop innovative technologies that assist in positive outcomes for Osteoarthritis patients, while also providing an economical solution for hospitals and physicians."

"AEONSurgical target focus, presence and experience in the Biologics /Medical Device, Joints (Hips/Knees), Podiatry, Spine, Sports Medicine, Wound Care/Closure market provides significant opportunity of synergy with our organization " says Mr. Aldo Donati, President of Fidia Pharma USA Inc. " and strengthens Fidia's already robust presence in the US market."

About Hyalgan®

Hyalgan® (Sodium hyaluronate), intra-articular injections are approved for the treatment of pain in osteoarthritis (OA) of the knee in patients who have failed to adequately respond to conservative nonpharmacologic therapy and to simple analgesic. Hylagan ® provides long-term pain relief with repeat use. For more information and full prescribing information please visit www.hyalgan.com
